FLINT, MI – Financial Plus Credit Union was on a mission to bring awareness and smiles to the Hurley Medical Centers Children's Hospital week which took place on April 19th - 23rd. They kicked off the week with a Hot Wheels drive, collecting the little toy cars at their seven branches.

"It really is all about the kids. We had a blast sorting through the cars as they came through our doors from both members and our staff. There's something about a Hot Wheels car that just brings a smile to your face no matter what age you are. And that is what we hoped to do here, to bring a smile and a little bit of joy to these children at a time when they need it the most," remarked Rachel Mouser, Director of Marketing.

In addition to the donation of several hundred Hot Wheel toy cars, Financial Plus also presented the Children's Hospital with a \$1,000 check. "We are so grateful for the continued support of local credit unions like Financial Plus. When our certified Child Life specialists identified a need for Hot Wheels here at Hurley Children's Hospital, FPCU didn't skip a beat. The fact that they went above and beyond by making a monetary donation to help our pediatric patients, in addition to collecting all these amazing cars for the kids, demonstrates just how committed they are to the communities and families that they serve. We are incredibly fortunate to have them as part of our Credit Unions for Kids family," remarked Brooklyn Kennings, Assistant Director for CMN Programs.
