FLINT, MI – Financial Plus Credit Union celebrated the miracles that happen every day at Hurley Medical Centers' Children's Hospital week during April 11th – 15th. Financial Plus Credit Union wrapped up the week by presenting a \$2,000 check to the Hurley Foundation, which Co-op's Miracle Match program has pledged to match the donation.

"Every act is celebrated this week. Whether it be a monetary donation, or every time the donation link is shared with friends, family, or on social media; it's important. It all helps spread awareness and ensure that other Children's Miracle Network Hospitals, like Hurley, have the funds they need to treat patients across the country. The Children's Hospital Week celebration hits home to our community and staff with Hurley being so close. It's a no-brainer every year to try and bring a smile to the children," remarked Madeline Mason, Public Relations and Social Media Specialist at Financial Plus Credit Union.

Financial Plus Credit Union is a member of Credit Union for Kids, a combined network of credit unions that support nonprofit children's hospitals in the United States. The Co-op Miracle Match program is designed to encourage credit unions to raise funds for Children's Miracle Network Hospitals, and in turn offer additional funds. With Co-Op Miracle Match Financial Plus's donation doubles to \$4,000 for Children's Miracle Network Hospitals.
